PRACTITIONER TRAINING

*Sacred Womb Awakening*

Become a leader in the new feminine revolution

## **Womb Ambassadors Program**

### **Growing our global network of Womb Awakening Practitioners**

#### **Introducing the Womb Ambassadors Program!**

The Womb Ambassador Program has been created as a way to help Sacred Womb Awakening grow throughout the world with a unique Practitioner-led referral program.

**As a Womb Ambassador, you have the opportunity to refer selected clients and colleagues to apply for the Sacred Womb Practitioner 24 Month Program:**

<https://www.sacredwomanawakening.com/womb-practitioner-training>

This is the new, online-only 2 year version of my original Practitioner Program.

**You will earn a 10% fee commission of €1,000 for every woman that you recommend personally to apply once she successfully enrolls into Sacred Womb Practitioner Training.**

#### **How the Womb Ambassador Program works:**

##### **Registering as a Womb Ambassador**

If you are a current student or graduate of the Sacred Womb Practitioner Training, you don't need to formally register for the Womb Ambassador Program as you are on file with us already.

If you are NOT, you need to REGISTER as a Womb Ambassador, so that we have your details on file before applications come in. Please write to Dieke at "[training@sacredwomanawakening.com](mailto:training@sacredwomanawakening.com)" with your name and full contact details so she can add you to the Ambassador database.

## Intuitively Recommending this training

I invite you intuitively listen to any clear signals you have about any women you feel would benefit from and be ready for this Practitioner level training.

These might include:

- Clients that you have offered Womb Awakening or other healing work to
- Fellow practitioners who are looking for their next aligned step to train and evolve their practice with divine feminine work.

## Reaching out in writing:

Your Resource Pack (see below) contains a suggested invite letter for prospective applications that you can adapt as you see fit.

You may wish to reach out to some of your selected contacts for an informal chat to discuss their interest in the training.

It is a good idea to offer space for a 1-1 conversation to answer any questions your client / colleague might have about the training and your experience of it.

I will support you to deal with any questions that you don't have answers to!

## Sending information to your clients:

Your Resource Pack (see below) contains all the key information that your client / colleague needs. in order to find out more about the Womb Awakening Practitioner Program. This includes the course web page, curriculum, FAQ's and your personalised application form.

You can download, edit and send these to your contacts.

## How we track your personal recommendation in our application process.

It is important that we can trace any applications back to you so that you are paid your commission. We have two ways to do this, and we suggest that you do BOTH to ensure that every application that has come through you is correctly track.

### 1) Personalising the Application Form

Your Resource Pack has a fillable PDF application form that you can PERSONALISE by filling in on Page 3 of the Application the question: *"Were you invited to this training by a current Womb practitioner? If so, please share their name here:"*

**Please fill this in with your name and save it before passing it onto your applicants**

2) Sending us the names / details of anyone you have recommended this training to

You can ALSO email us the names of your potential applicants - please write to Dieke at "[training@sacredwomanawakening.com](mailto:training@sacredwomanawakening.com)" with the name(s) of any applicants that you have recommended this training to.

### **Supporting your contact's application process:**

We also recommend that you offer assistance to your contacts if they have questions for you as they go through the application process

Remember you can always come to me by email and WhatsApp for any information that you additionally need!

### **How you get paid your commission:**

**You will earn a 10% commission of €1,000 for every woman that you recommend personally to apply once she successfully enrolls into Sacred Womb Practitioner Training.**

**The full price of the training is €9,999 Single Pay (with payment plans available).**

Once your client's application is received by us, it will be processed and they will go to interview.

Should they be accepted and registered on the Practitioner Course, they will pay a deposit for the course which covers your commission fee.

You will be informed directly and your commission of €1,000 will be forwarded to you by bank transfer within four weeks of their initial deposit.

You will be required to invoice for your deposit amount and provide your current bank details on the invoice.

**Please note that we cannot pay a commission for a contact whose application is rejected. However, our application process is thorough and designed to ensure that applicants understand the depth and commitment of work required for this training before they even apply - this means that the great majority of applications are accepted.**

It is also your responsibility to reach out to and invite potential applicants who are clearly ready to undertake this training in your estimation.
